BE AWARE: many services are likely to be unavailable, changed, cancelled or even conducted virtually – please check with advertisers.

Meanwhile: whilst the virus alert level has just been lowered to '3', let's familiarize ourselves with what the Government rules are to remain safe... Also huge thanks to John Broderick of Print Demon in Richmond with helping out with printing & apologies from me for some scrambled editorial font sizing and design ☺ Ed.

LETTERS

Thanks, but...

Somebody posted a £10 note through my front door recently in an envelope saying 'Book money, thank you' but no indication of who it came from. If the sender could let me know who they are I'd be grateful and be able to cross them off my list of debtors (or send them a book if it was an advance payment).

Many thanks... **Jon Smith**

Trees for Barningham

Dear Ed,

As a relative newcomer to Barningham, I've noticed a shortage of trees and lack of continuous hedgerows in some areas. Continuous stretches of woodland and hedgerow habitats are really important for wildlife. They provide diverse sources of food, extended foraging ranges, shelter and connection of populations – all important for long term health and survival.

I've been in contact with Trees for Teesdale and the Tees River Trust regarding support for tree and hedgerow planting. Both organisations are willing to support activities with us and there are additional sources of funding we can investigate as needed. All we need now are some interested landowners!

We can arrange for replacement of single trees or short hedgerow sections or work with you on larger schemes. Planting along field edges will not significantly reduce grazing land but will be very beneficial in extending and connecting local wildlife corridors.

Please contact me if you are interested!

DRIVE SLOWLY | PROTECT STONES | SAVE STRIFE

Fellow Residents of Barningham, I don't know how widely it is known but the driveway which runs through the village green in front of the Village Hall, Newby House and on up to the road near the Old Chapel belongs to Newby House. The two properties next to Newby House have legal right of access across the top section but aside from that it is a private drive.

I have no desire or intention to restrict access to the drive for anyone who wishes to use it but I would like your help to mitigate an issue unintentionally created when we resurfaced it some months ago. Particularly at the top (west) entrance, the stones used to resurface the drive are being pushed onto the road by let's call them over-zealous drivers. The stones in turn are being hit by traffic on the road and hitting parked cars on the road causing damage, this issue was drawn to my attention very politely in recent days. Could I ask users of our drive to slow down when entering or leaving the drive so as to move as few stones as possible. I will share this note with the postman and milkman, although I believe the issue to have been exacerbated by the increase in delivery vehicles in these strange times. So please:

Drive slowly, protect stones, save strife

Many thanks, **Stuart** (Newby House)

WHORLTON NOTICES

Whorlton Village Community Association

The WVCA and Whorlton village residents would like to give a big thank you to everyone who has gathered litter throughout the lockdown period. We have had several visitors to the village who have not been as meticulous as ourselves regarding disposal of litter and dog poo. Our special thanks go to our own Whorlton Wombles, Ian and Ann Wilkinson who have assiduously gathered litter on a daily basis in Whorlton, Wycliffe, Sledwich and Thorpe. Also Martin Saville and Sally Davies, the Westwick Wombles, who collect litter all the way to Barnard Castle, Abbey Bridge and up to Mount Ef. The villages would not have remained as pretty as they are without their assistance. Our thanks to you all.

Dianne Darville WVCA Secretary

The Merry Wives of Windsor

Performed by The Three Inch Fools will be coming to Whorlton next year instead of this and they are looking forward to visiting us again then. Like stage performers the world over, their 2020 tour has had to be cancelled.

Welcome...

Whorlton would like to extend a warm welcome to all those who have moved into the village since the lockdown - we look forward to meeting you soon!

Barningham Village Hall needs your help (it won't cost you anything!)

The hall is the heart of our community, the home for everything from pilates to parties, pudding clubs to pottery, and, of course, the village show. It's almost 150 years old and needs constant TLC - and that's not cheap.

Our next task is to double-glaze its enormous windows to cut heating bills, which would mean lower rental fees, higher usage and more income. Because it's a listed building, that's going to cost around £6,500. Even in a normal year we'd find raising this amount a tough challenge, but the coronavirus crisis has killed all our fundraising activities. So we're applying for a grant from the Calor Community Fund. To succeed we need as many Facebook 'likes' as we can get - the more there are, the better our chance of getting the money.

Our appeal website page went live on Thursday June 4th and remains open until 14th July. Please visit us then at:

<https://communityfund.calor.co.uk/barningham-village-hall-new-windows>

and tick the 'like' box - then pass this on to all your friends and encourage them to do the same. It won't take a minute, and it could help the hall to survive. The link can also be found on the Barningham, Teesdale Village Hall Facebook page. *Thank you.*
