THE
CASTLE
PLAYERS

Pygmalion

by Bernard Shaw

Shaw's most popular and successful play has enjoyed numerous revivals and
is the basis for Lerner and Loewe's ever-popular musical, "My Fair Lady".

First performed in 1912, "Pygmalion" tells the story of phonetics professor,
Henry Higgins and cockney flower-girl, Eliza Doolittle. Accepting the
challenge to pass Eliza off as a duchess, Higgins trains Eliza in his typically
arrogant and soulless manner, showing concern for technique but not for
Eliza's developing emotional needs. Satirising both class and snobbery, the
play is full of Shaw's perceptive wit and comedy.

LETTERS

KEEP COMMUNICATING
& KEEP THE LETTERS COMING!

KEEP THE HOME FIRES BURNING - BUT NOT WITH COAL AND WET WOOD

There have been rumours around Barningham that sources of traditional house coal are still to be had for burning. I should like to point out to anyone locally still unaware, that burning fires at home with traditional house coal or wet wood is a major source of the pollutant PM2.5 - tiny particles which can enter the bloodstream and lodge in lungs and other organs. PM2.5 has been identified by the World Health Organisation as the most serious air pollutant for human health. As a consequence, sales of bagged traditional house coal and wet wood have been unlawful since 1 May 2021.

People with log burners and open fires can still use them, but are required to buy cleaner alternative fuels such as dry wood and manufactured solid fuels which produce less smoke. Both of these cleaner options are just as easy to source and more efficient to burn, making them more cost effective. Burning dry wood also produces more heat and less soot than wet wood and can reduce emissions by up to 50%. A certification scheme sees suitable products certified and labelled by suppliers to ensure that they can be easily identified, and retail outlets are only permitted to sell fuel that is accompanied by the correct label.

Alongside road traffic, wood and coal burning is a major source of fine particulate matter (PM2.5) pollution, the most worrying form of pollution to human health. It's vital that we tackle all of these sources of air pollution and raise awareness about the dangers of air pollutants so people can make the best choices for their own health as well as the health of others around them.

Steve Ottevanger, Barningham

[Readers may like to check out the series of Energy Factsheets prepared by Barningham Net Zero, especially No. 11, which deals with open fires and solid fuel stoves. This explains in more detail the various accreditations for solid fuels, together with guidance of which you may not be aware.

Hard copies of the Factsheets are available (contact info@barninghamnetzero.com or 07984 756080) and they may be downloaded free of charge from:

As the nights draw in we can often see a slight rise in reports of burglary, so consider:

- External motion-sensor lighting
- Adequate locks on your sheds and out-buildings
- Let your trusted neighbours know when you are away
- CCTV covering your drives and gardens
- Do not leave valuables in clear view of your windows
- Do not leave car keys in view of your windows or close to your front door
- Do not advertise on social media when you are away from home
- Do remember to lock your doors and windows when you go out.

People are being increasingly targeted via **social networking** sites. Anybody who can get access to your personal information can do this; whether it is a former partner/friend or someone you have never met before. This is why it is extremely important to protect yourself when using sites such as Facebook /Twitter. **'Internet matters'** and **'Cyberstreet Wise'** are websites that offer advice on using social networking securely and what safeguarding measures to take.

Barningham and Newsham Tree Planting

Come join us for sociable, 2-hour volunteer sessions to help with tree and hedgerow planting and associated fencing works where needed! Scheduled to suit people's availability, the volunteer sessions provide a great opportunity to get outdoors over the winter, meet friends and neighbours, and contribute to improving local biodiversity for wildlife.

We'll be running sessions through to the end of March, so if you can spare a couple of hours on a week day or a weekend to assist, please contact:

Martha (07984 756080; marthamcbarron@outlook.com).

Organised by **Barningham Net Zero** with grant funding and/or supplies provided by *Trees for Teesdale, the Queen's Canopy for the Jubilee (via the Woodland Trust), the Postcode Local Trust (funded by players of the People's Postcode Lottery) and Durham County Council - Neighbourhood Budget.*

Reasons to be grateful...

The Whorlton Village Community Association is very grateful to Jonathan Dickinson for again giving the village a fine Christmas tree and to the team who got it erected and lit in time for the pub opening on 12th December. We would also like to thank the small team who ensured that Bonfire Night was a huge success in November by not only building the bonfire but also providing hot food for everyone, whilst letting off a splendid display of fireworks.

Village life is greatly enhanced by those who volunteer to do things for us all and give their time and efforts for free whether on the Parish Council or the Community Association or just as concerned residents caring for their neighbours.

Mary Stastny, Secretary WVCA

WHORLTON NOTICES

The Whorlton Village Community Association wishes everyone
in Whorlton, Westwick and in all the surrounding farms A Very
Happy New Year!!!

- Whorlton Bridge:** there continues to be intermittent activity by engineers down on the bridge as they investigate the structure and assess exactly what repairs are going to be needed.
- Meanwhile **The Bridge Inn** has reopened and there was a full house on Sunday 12th December when the Christmas Tree was lit on the green outside and then the doors of our pub were opened to reveal a new layout, a cosy fire and some excellent beers! Whorlton wishes Michael and Tracey all the very best for their business in 2022!
- The Castle Players** will present Pygmalion on Sunday 6th February at 3pm in Whorlton Village Hall. To book tickets call Mary on 01833 627419. Tickets will be £10 each.
- Open Gardens 2022** will be on Sunday 24th April, in the afternoon. We only had 6 gardens open in 2021 but it was still a very successful day and much appreciated by the public - we are looking forward to more gardens being open for the event next spring.
- The Queen's Platinum Jubilee** will be celebrated with a Hog Roast on Friday 3rd June.
- The Three Inch Fools** will be returning to Whorlton on Tuesday 21st June with their new play about Guy Fawkes - which, if it is as funny as their version of Robin Hood proved to be, then we are all in for a good night!
- Whorlton Village Community Association** - date of next meeting Wednesday 2nd February in the village hall. Do come and join us!

Barningham Relief In Need and Educational Charity (BRINEC)

BRINEC has concentrated almost exclusively on its Educational role for a number of years but Relief in Need also forms part of our title. This has usually taken the form of financial help.

If you feel we can help in these difficult times and you reside in the civil parish of Barningham, please contact the Reverend Antony Kirby, in confidence, by telephone: 01748 850349 or e-mail: rectorholmedale@outlook.com
