ENVIRONMENTAL ISSUES... appear to have fallen down the news agenda due to other, er, distractions... Shame! So, it's good to see our local bard reminding us. *Meanwhile*, there are signs of hope on the COVID situation! Nevertheless, be safe, stay safe. (Ed.)

LETTERS

Before it's too late...

It's the New Year, time forever moves on.
How we've lived in the pasty can't be undone,
A lifestyle causing greenhouse gases and
plastic pollution
Climate change, drought, parched earth, wild-
fires, hurricanes and floods.
To remedy this, the solution?
To achieve the modern lifestyle and our
worldly goods
We are using the Earth's resources in
extravagance.
Burn less fossil fuel, renewable energy our
only chance.
World leaders have met for a climate
conference, made this their decision –
To be less reliant on fossil fuels that cause
greenhouse gas emissions,
With nature coordinate
Before it's too late.
Sustain the planet
For future generations to live on it.

A Big Thank You...

...to all our friends and neighbours for
the kindness you have all shown to our family
while we have had a quite awful year in 2021.
Shopping, cooking meals, flowers, telephone
calls, a knock at the door to ask 'how are you
today' and 'what can we do?'. You will never
know how much this has meant to our family.
Sending all our love to you all; keep safe and
let's hope that 2022 can only get better!
GOD BLESS YOU ALL!

Fake emails and text messages are a common tactic used by cyber criminals, their goal is often to convince you to click a link. Once clicked, you may be sent to a dodgy website which could download viruses onto your computer, or steal your passwords and personal information.

In order to try and convince you that their messages are legitimate, criminals will pretend to be someone you trust, or from some organisation you trust. This could be your Internet Service Provider (ISP), local council, even a friend in need. And they may contact you by phone call, email or text message.

Emails: If you have received an email which you're not quite sure about, you can report it by forwarding the email to the Suspicious Email Reporting Service at: report@phishing.gov.uk

Texts: You can report suspicious text messages to your mobile network provider, for free, by forwarding the text to 7726. If you forward a text, your provider can investigate the origin of the text and take action, if found to be malicious. If 7726 doesn't work, you can find out how to report a text message by contacting your provider.

Cancelled Dalton & Gayles Christmas (not)

For our meeting in December, instead of our usual Christmas party, we had mulled wine and mince pies. The weather forecast was for heavy snow but a few members attended and we had a lovely time. We cancelled our Christmas meal because of the virus warnings but we hope to have a meal sometime in the future.

Our meetings hopefully start on 1st February at 2:00pm with Kathy Bryan and her therapy dogs and 5th April at 7:00pm with Fiona Dean from Ravensworth Nurseries, spring planters.

We wish a very happy new year to everyone.

NEWSHAM NEWS

Newsham Village Hall AGM – Tuesday March 1st, 7:00pm. All Newsham residents welcome to attend.

Newsham Village Hall is Open

We're happy to say that Newsham Village Hall is open and available for hire for events: Parties, Business Meetings, Seminars & Training, Family Celebrations, Wedding Receptions, Community Groups. We can provide a fully staffed licensed bar and have a broadband connection too. Very reasonable rates, with a special discounted rate for Newsham residents.

For all booking enquiries contact Rose on 621300 or message our Facebook page @newshamvillagehall.

Village Hall Car Park – Polite Reminder: now that things are starting to get back to normal, the Village Hall is now open for events and available for hire. Please can we remind everyone that the car park is owned and maintained by our Village Hall charity for the use of people visiting the Village Hall or attending events there. Whilst the Committee have no problem with residents using it on an ad hoc basis, such as when there are roadworks or if they have visitors, we are not able to offer it as a long term parking solution for individual residents. If you, or your visitors, do need to use the car park, please could you let us know beforehand, just in case there is an event planned (either via our Facebook page @newshamvillagehall or telephone Rose on 621300). Please also remember that our younger residents also use the car park as a safe play space, so the gates may be closed at short notice.
