Holidays are nearly over... and a bit of advice from experience: it's **not** under control – wear a mask, especially in international airport terminals! *Meanwhile*, hope you enjoyed your gardens in our new normal climate – and now the Produce Show season is upon us. Be safe, stay safe (like your Ed. wasn't...).

LETTERS

The Cold Light of Day?

On the lawn and stone-flagged path coloured flower petals lie.

A cloudless blue sky, no wind, no rain, a blistering burning hot summer sun.

Grass and tree leaves wilting, turning brown. It's too dry.

Slugs, snails, worms, underground waiting for the rain and water to run.

Extreme summer weather. A drought.

No prolonged winter frost, slush, puddles, no snowdrifts to dig out.

Spring's apple and cherry blossom, tender new buds nipped by a cold east wind and a late unseasonable frost.

Autumn will show, because of these irregularities, how much harvests' yield has been lost.

Summers are becoming hotter, winters getting wetter.

Slow down and it will get better –

Don't be so reliant on the use from oil,

It's causing the World to boil.

If not in another lifetime it will be drastic

And the oceans will be less polluted with throwaway plastic...

Doug Anderson, Barningham

[Regrettably it appears there is not currently a financial incentive. The problem is merely existential but probably not for you or me – just our children... @ Ed.]

Council Tax Reduction Scheme for North Yorkshire Council

From April 2023 there will be a single council in North Yorkshire. The new North Yorkshire Council will replace the existing seven district and borough councils, as well as the County Council.

By law North Yorkshire Council must introduce a single scheme covering the whole of North Yorkshire. Council Tax Reduction is a discount that helps people on low incomes pay their Council Tax bill. The proposal is to introduce an income banded scheme that is more supportive, with the maximum level of reduction for the people most in need. The changes to the Council Tax Reduction Scheme will affect working age households in North Yorkshire from 1 April 2023. Pension age households will not see any change as the scheme to support this group is set out by Central Government. Most applicants will get the same support as they do now and many will be better off.

Although some households will have a little more to pay, the proposals set out plans for a hardship fund so that anyone affected who needs additional help will be supported. People are invited to share their views on the proposed changes as part of a consultation.

A link to take part in the consultation and more detailed information can be found at: www.northyorks.gov.uk/CouncilTaxReduction

The consultation will close at midnight on 18 September 2022. A final decision will be made in November.

WHATSAPP SCAM: The National Fraud Intelligence Bureau (NFIB) is warning the public about the continued increase in reports about scams where victims are targeted on WhatsApp by criminals pretending to be someone they know – typically their children. Criminals will usually begin the conversation with "Hello Mum" or "Hello Dad" and will say that they are texting from a new mobile number as their phone was lost or damaged. They will then ask for money to purchase a new one, or claim that they need money urgently to pay a bill. The criminal will provide bank details for the payment to be made to, with some coming back with further demands for money. **How to protect yourself: STOP. THINK. CALL.** If a family member or friend makes an unusual request on WhatsApp, always call the person to confirm their identity.

WHORLTON NOTICES

A Tree for the Green

The Parish Council have granted
permission for a tree to be planted in
the southern half of Whorlton Green, in
order to commemorate the Platinum
Jubilee. An oak tree has already been
proposed but the final decision should
come from the wider community.

Taking into account size and longevity,
there are three UK-native options: Oak,
Yew, Beech and one (more-recent)
native tree: Sweet Chestnut. The last is
included as it is an attractive option but
there is the possibility of its health
being affected by a blight, currently
only found in the South. Please forward
your preferences to Chris/Gillian at
Garden House by note (name and
choice of tree) or by phone: 627420.
Closing date: Wednesday 14th
September. The tree will be planted in
late Autumn.
