MACMILLAN
CANCER SUPPORT

Mighty Hike

Sat 1st July

Hi everyone. My son Callum and I, along with our friend Faye, are once again taking on a 26-mile Mighty Hike challenge to raise money for Macmillan Cancer Support. I know first hand the amazing support this charity provides, having lost my husband, Aaron, to cancer in 2020. Macmillan were there to support Aaron and our family, and we want to help ensure that they can be there to support anyone and everyone who encounters this horrible disease. Every penny we raise goes directly to Macmillan to fund their valuable services, so please consider donating to this very worthwhile cause – big or small, it all helps! Please visit our Just Giving page for more information –

www.justgiving.com/fundraising/teesdaletrekkers2023

If you would like to make a cash donation, collections are being taken in the shop at Coghlan's or you can pop it through the door of Shaw House in Barningham. Many thanks for reading this.

NEIGHBOURHOOD WATCH: SECURING YOUR E-MAIL ACCOUNT

Your email password: using a combination of 3 random words creates passwords that are long enough and strong enough. Avoid words that can be guessed, like your pet's name or birth month. Adding numbers and symbols is a good way to make your password even harder to guess.

Turn on 2-Step Verification (2SV) for your email: 2-Step Verification (2SV) gives you twice the protection so even if cyber criminals have your password, they can't access your email. It works by asking for more information to prove your identity. For example, getting a code sent to your phone when you sign in using a new device or change settings such as your password. You won't be asked for this every time you check your email.

Thanks to John Hay for our Neighbourhood Alert information.

RIVER FLIES

Following the recent pollution incident to the Holme Beck, some local residents have been working with Gilling West Fly Fishers, the Yorkshire Dales Rivers Trust and others to set up river fly monitoring of the watercourses that converge and flow into the Swale. The river flies are invertebrates which are an important part of the aquatic ecosystem and food chain. There is a national scheme (the Anglers Riverfly Monitoring Initiative) that uses a standardised method of monitoring target river fly species as an indicator for river health. This data is made available to the rivers trusts and Environment Agency and complements their work. It can also be used to detect pollution incidents and sources.

We have organised two 1-day courses at Gilling West Village Hall in late July to train new volunteers. Afterwards, volunteers (working in pairs) will be assigned a location on the Holmedale catchment to monitor once a month. A typical monitoring session takes about 1-3 hours.

There are a couple of places still available on the training courses if you are interested in taking part. Please contact me for further information.

Time Flies...

The blackthorn blossom, white as snow,
The first flower in thicket and hedgerow.
The petals fall, its colour fades.
The leaf buds burst, there's green of different shades.
May is past, June's sun has power -
Crabapple, chestnut, elderberry, cherry, foxglove - all in flower.
Hawthorn blossom, the wild rose flower adorn,
That prickly branch that has the thorn,
Not the buttercup or dandelion.
Yellow fields of oilseed rape the sun shines on,
Rising and setting, different light on cloud and sky.
Bluebells and primrose along the river bank.
The timid deer with ever watchful eye
Comes, disappears in the trees after it has drunk.
Don't grieve that summer will pass away with the rose
And in a short while another year will come to a close,
For all comes round again, it will repeat.
Don't grieve that time is slipping underneath your feet -
Unborn tomorrow - dead yesterday,
Over them don't fret, just let today,
As the birds sing, be sweet...

WHORLTON & WESTWICK NOTICES

The Whorlton Village Community Association runs the Village Hall and a series of events throughout the year, serving the Parish of Whorlton and Westwick and beyond. It can only do this through the work of a dedicated team of volunteers and Committee members. There is now an urgent need to recruit more members to continue the work of the Association.

If you are able to provide even a small amount of time and assistance, and wish to help secure the future of this vital community asset, please call Chris Connolly on 01833 627420 (WVCA Chairman)

Whorlton & Westwick Parish Council

The Parish Council at the recent AGM welcomed Mrs Sue Dickinson as a co-opted Councillor, bringing the numbers up to the full strength of seven members. Cllr George Stastny was re-elected as the chairman, with Cllr Liese Duggan as the deputy chairwoman. The Clerk, Mr Alan Dixon, was re-appointed in his role.

Apart from the usual Council business, the Councillors were delighted to receive an offer from the owners of The Bridge public house of a free gift of three picnic tables with benches, to be installed in suitable locations on the Council's land for use by the residents.
