### Mighty Thanks

Thank you so much to everyone who sponsored us for our Macmillan Mighty Hike. Thanks to you we managed to more than double our target amount and I have to say that your kind donations spurred us on during what was a somewhat wet and windy day!! It's such a great cause and I'm so pleased to be raising funds for it, and so appreciative to have the support of our lovely friends and neighbours!

Once again, thank you so much!!

### ...and another plea...

...to all providers of copy and/or ads. The Flyer is monochrome, so please provide copy in black and white so you can be sure your work is reproduced satisfactorily. Some colours are reproduced quite faintly in black and white, making it difficult to read.

Also difficult to read is small print, especially in fancy fonts and in grey or pale coloured type-face. To be sure your work can be read at the size it needs to be in The Flyer, try reproducing it at the same size as a typical ad, not at full A4 page size.

Thank you (again), [Ed.]

### Chair Thanks

Newsham Parish Councillor Bob De'Ath has decided to stand down as Chair after many years of diligent service and we would very much like to thank Bob for his efforts on behalf of the community. Bob will remain on the Council in the role of Clerk, whilst Chris Brown has taken on the role of Chair. The Vice Chair role has been filled by Louise Taylor.

### More Thanks... and a Plea...

After some time volunteering with the Flyer production team, Stuart Godfrey of Barningham has decided it's time to give the task a rest. Thanks go to him for carrying out this duty, which involves picking up bundles of the Flyer copies from the production team in Newsham and distributing them to the local village representatives (whom each then distribute individual copies within their own village areas).

This means that *the Flyer production team is seeking a volunteer to take over from Stuart as from the end of August. If you can help out for around 2 hours per month and have transport to get around the villages then please get in touch:*

[theflyernewsdesk@gmail.com](mailto:theflyernewsdesk@gmail.com)

It is not necessary to be a resident of Newsham, Barningham or anywhere else for that matter. Let's keep The Flyer flying!

Thank you, [Ed.]

**NEIGHBOURHOOD WATCH: SECURING YOUR E-MAIL ACCOUNT**

**Your email password:** using a combination of 3 random words creates passwords that are long enough and strong enough. Avoid words that can be guessed, like your pet's name or birth month. Adding numbers and symbols is a good way to make your password even harder to guess.

**Turn on 2-Step Verification (2SV) for your email:** 2-Step Verification (2SV) gives you twice the protection so even if cyber criminals have your password, they can't access your email. It works by asking for more information to prove your identity. For example, getting a code sent to your phone when you sign in using a new device or change settings

such as your password. You won't be asked for this every time you check your email.

### Mary, Mary...

Mary would have no little lamb with fleece as white as snow  
If those sheep that graze the hills and moors are taken off, have to go.

No lambs skipping and playing in the Sun.

Why? What have they done?

Accused by environmentalists and zealous rewilders of causing climate change

With their droppings, gaseous emissions, hooves and mouths, they shouldn't have free range.

The hills and moors are sheep-wrecked.

Plant trees, no sheep, to grow into forest unchecked.

To say this is beneficial is untrue.

What of the red grouse, plover, skylark and curlew.

No gamekeepers, no shepherds tending their flocks.

No woolly blankets, jumpers, scarves, gloves and socks.

Environmentalists and rewilders dream on, your missing sheep

Will have to be imaginary like those we count when trying to go to sleep.

And in the supermarket there will still be chops

And succulent cuts of Easter spring lamb,

For who wants to be cold and shiver on bread and jam?

Doug Anderson, Barningham

*There's no black or white answer, however, climate change is a burning issue, about which many residents are very concerned. Anyway, your Ed. loves tofu too. [Ed.]*

## WHORLTON & WESTWICK NOTICES

### The Whorlton Village Community Association

The people of Whorlton and Westwick would like to say a big thank you to Chris Connelly for all his hard work and expertise during the past three years as Chairman with the WVCA. It is with regret that Chris has had to resign his position due to ongoing work commitments, however we are assured of his support moving forward, albeit on a voluntary basis.

Mary Stastny has kindly offered to take over the reins and we all welcome her experience and enthusiasm in leading the way to ensure the continuation of a very vibrant and successful Whorlton community.

**African Wildlife Talk and Pot Luck Supper:** Saturday 21st October – 7pm at Whorlton Village Hall. Ian & Anne Wilkinson will give a slide show and talk about their regular trips to the Kruger Park in South Africa plus their charitable work at Hwange Wildlife Reserve in Zimbabwe. Further details to follow.

### Whorlton & Westwick Parish Council
