October 18th at 7pm**

Attendees:

Cath Stanwix
Annie Burchnall
Katie Stanwix
Linda and Alan Sherwood
Carole and Martyn Dean
Ian and Linda Goulbourne

Apologies

Mr and Mrs Marchbank
Mr Taylor

Cath Stanwix read the last minutes

Cath Stanwix was re-elected as Chair

It was agreed that communication would be through email

Re-Cap

Road/Flooding discussions

It was reported that ditches would be cleared and looked at yearly

It was agreed to ask our local MP and councillor about this road –

We are waiting for a report from Ben Lamb

Defibrillator

Council will give half the cost

Phone Box not the right site as no electricity

It was discussed that we could maybe approach the new councilor for our area

Find out the running costs and a supply of electricity to the phone box which is owned by BT

How is the Dalton Defibrillator funded...?

Other Business

It was discussed could we create a new website for the village hall

Ian Goulbourne kindly volunteered

This would be to enable:

Donations towards things in the village possibly

Minutes to be read on the site

And a post of - up coming events

Enquires about our broadband still not up to scratch – could we approach our local MP about this

To ask our local councilor if they are willing to help with any funding for our village and to help replace the glass in the bus shelter for notices....

Ian Goulbourne volunteered to trim around our post box and Milk stand area

In order to keep tidy

As this is an area of historic interest .
