WETHERIGGS Animal Rescue

Open: Thu - Sun; 12 - 4pm
Closed all other times

Wetheriggs is a small family run animal rescue charity first established in 2006. They take in injured and unwanted animals including domestic pets (excluding dogs and cats), farm animals and native wildlife.

The Flyer has recently made a donation to Wetheriggs, who are struggling during Covid-19. They welcome any donations to keep them going especially at this challenging, or any other, time.

THE WISE MEN...?

BE AWARE: events and services may be subject to lockdown or quarantine – check Government advice.
Meanwhile: Christmas is definitely coming! It may not be as we and our families would know it. Now then, now then. What would the three wise men do...? And a HAPPY NEW YEAR!!
Also: it's great to see Andrew and Janet Coghlan at the Coachhouse in Barningham (see centre page ad) being recognized for their services to the Teesdale community ✓✓✓ Be safe. Stay safe. (Ed.)

LETTERS

When it's 2021

This Christmas will be gone.

Was it spent in a lock-down bubble?

Curtailed, coronavirus being the trouble.

Is that the sound of jingling bells I hear

Ringing out, bringing in the Christmas cheer?

It's the sound of empty bottles and broken glass

Gathered up by the recycling men as they pass –

Proof in Barningham that there was some Christmas spirit!

A vaccine, normality, will we look back and say; 'That were it?'

Douglas Anderson, Barningham

HEALTHY MINDS MATTER

Dear All,

I am writing about sharing my JustGiving page/event to spread mental health awareness on the topic of healthy minds matter.

The event I am participating in is a skydive to support the charity, Mind.

I am super excited to announce that my skydive is booked for Saturday the 1st of May 2021 at Sky-High skydiving, Peterlee. During these very uncertain times, starting from the first lockdown through the year I have so far raised £800 for Mind.

A massive thank you to everyone who has already supported through my page to this very important cause by sharing and donating, absolutely smashed the original target of £395, THANK YOU! Donations are more than welcome anytime and massively appreciated, every penny counts! All your generosity means that the sooner Mind UK can reach out even further, especially now that Christmas is around the corner.

For more information please take your time to have a look and continue to show support through my online page in this link:

<https://www.justgiving.com/fundraising/clara-gale>

or please email me for more information:

claragale54@gmail.com

Stay safe everyone and take care for healthy minds matter.

SEEING THE TREES FOR THE WOOD

Dear Ed,

I'm pleased to share the news that Barningham Net Zero has been awarded £2,000 by the Postcode Local Trust, a grant-giving charity funded entirely by players of the People's Postcode Lottery. The grant will support our local tree planting programme and supplement the financial support we are already receiving from Trees for Teesdale. We are currently working with five local landowners in Barningham and Newsham, with an extended planting programme planned through to March 2021 and recommencing in late autumn.

Much thanks to all who have helped out so far by giving trees, tree guards and their time to help with the work!

One of the benefits of the additional grant is the opportunity to purchase some fruit trees which will complement the mixed deciduous tree and hedge species provided by Trees for Teesdale. If you live in the Barningham area and would like to take advantage of our tree planting programme or assist as a volunteer, please contact me for further details.

CRIME CORNER!!! – NEIGHBOURHOOD WATCH: thanks to John Hay for passing on advice from Durham Constabulary via Neighbourhood Alert:

- **HMRC scam:** beware scam text messages or e-mails purporting to be from HMRC – they tell you that you have a pending amount due which will expire on a particular date, then asks you to click on a link to claim the amount back. These scam texts and email often look very real
- **Lottery and Prize Draw Scams:** claim that you have won a large sum of money and may ask you to pay a small fee in order to access the funds. Why not re-gift your scam email and send it to the Friends Against Scams Team to deal with – find out how to do this on the Friends Against Scams website: <http://www.friendsagainstscams.org.uk/scamnesty>

...and from Richmond's Helenor Gwatkin (Rural Policing Team):

- We have been made aware of several Land Rover thefts in the Cleveland and Darlington areas. Please could you all ensure that you remain vigilant and ensure that your vehicles are secure.
- We are still experiencing high volumes of calls and incidents with poachers and farm equipment thefts. Please report anything suspicious. Even if the event has happened we need to be made aware. If people are on the land suspiciously please call 999.
- We are continuing to patrol with the "Border Watch" volunteers, and demonstrating excellent collaborative working. We have had some fantastic results and thank the support of locals/volunteers.
- I am doing a piece of work with the farmers and landowners in the Whashton, Dalton and Newsham areas to try and establish who has permission to be on their land, particularly at unsociable times. This is so we can deal with the offenders more quickly and be forearmed with information.

Ravensworth's Respectful Reminders

Ravensworth is fortunate to have a large village green and the Parish Council is charged with looking after it. The tracks around The Green were constructed for horses and carts but are also well suited for bikes and pedestrians. Vehicles are tolerated but drivers are required to do no more than 5 mph and should aim to stay on the track. There are signs at the entries to the tracks clearly stating No Through Road; the tracks are private roads to be used for access only, i.e. by residents or for deliveries, and **not as short cuts**. The wear and tear of the tracks and the grass adjacent to them are constant sources of concern and expenditure for the community.

Walking in and around the village is a popular pursuit for both residents and visitors. Unfortunately, paths and grass have once again become treacherous to tread upon as dog waste becomes more prevalent. Responsible dog owners collect their pets' waste and then dispose of it in the appropriate bin - there are three dog waste bins in and around the village. Heavily laden small black plastic bags hanging from trees and bushes are not a welcome decoration even in the festive season.
